Financial Aid

In order to provide opportunity for families to get assistance paying for high quality care, Trinity Child Care meets the requirements to qualify as an approved CCDF participating provider. **The Child Care and Development Fund (CCDF)** is a federal program that helps low-income families get child care so that they may work, attend training or continue their education. CCDF also provides assistance paying for school age care before & after school, during school breaks and for Kamp K summer day camp. Families qualifying for CCDF can secure dates of enrollment for each child with an approved CCDF voucher with TCC as provider.
